A hand-drawn map of a landscape. At the top, there is a rectangular box containing the text "TENTEN, TENTEN". Below this, on the left side, is another rectangular box containing the text "GENERATION SESIBU". The map depicts a river flowing from the top right towards the bottom left. The surrounding area is filled with various lines and shading, suggesting a natural environment like a forest or a field. The drawing is done in a simple, sketchy style with visible pencil or pen lines.
